Here's what you will find inside:

- * Exciting record of step-by-step instruction with the great Jack Costanzo showing how to do it and how bongos should sound. Basic bongo beats, variations and effects.
- * A chance to "sit in" with Jack Costanzo's great orchestra, and practice what you learn by playing along with top professional musicians.
- * Photographic illustrations showing proper positions for holding and playing bongos.
- * Written examples of some of the many rhythm variations possible on bongos.
- * Other valuable information to help you find fun and excitement playing bongos.

Jack Costanzo, the country's leading bongo player, has taught: Marlon Brando, Gary Cooper, Carolyn Jones, Hugh O'Brian, June Allyson, Ricardo Montalban, Harry James and many other celebrities from the entertainment world.

For the past several years he has had a very successful orchestra, and through his efforts, the bongos are now accepted as an exciting musical instrument and are enjoying immense popularity.

If you enjoy these excerpts, you will certainly want the Liberty Album LRP-3177 "LEARN-PLAY BONGOS" to continue your instructions so that you too can master the bongos.

Jack Costanzo, "Mister Bongo," says: Learn to REALLY Play Bongos!
