This is the first Trio album I have recorded that contains solely original compositions. FANFARE, CHIMES, NURSERY TUNE, FOLK SONG and HYMN are titles that explain their characters, I hope. AMALGAM is a long slow melody with a staccato and brittle accompaniment with me singing quietly

behind. ROMANTIC NOTION is a nostalgic bossa nova while POP AND CIRCUMSTANCE is one of the Trio's first excursions into a vaguely pop idiom. In BAG OF CHRIS we feature Chris Karan our drummer playing tablas in a totally improvised track. 120 owes its title to the metronome speed at which it was recorded. THE MAGIC EXPLODING CADENCE which bursts on the end of the number is Chris and myself—exhilarated after what we had felt was a successful take—slamming out a chaotic ad-lib ending aided and abetted in the control room by an attack of lunatic echo-plate assassination from our talented recording engineer George Chkiantz. Finally, LOVE SONG FROM

AN IMAGINARY MUSICAL, provides the excuse for an unashamedly sentimental ballad. I hope very much that you will enjoy this album.
