THE WHITE HOUSE
Washington, D.C.

FROM: Colson

TO: Halg and Staff (for your eyes only)

Add the persons responsible for the enclosed recording to the official enemies list.

Side "B": David Axlerod, Henry Beard, John Belushi, Chris Cerf, Chevy Chase, Jim Czak, Garry Goodrow, Hugo Flesch, Tony Hendra, Tom Hummer, Sean Kelly, Rhonda Coulet, Alice Playten, Tony Scheuren, Jim Strahs, Harry Yarmark. Have the IRS take a look at Electric Lady Studios and Bell Sound Studios, New York.

Side "A": Pat Buchanan, "Checkers," Sam Dash, John Dean, Gerry Ford, Sam Ervin, John Mitchell, Richard Nixon, Bebe Rebozo, Zal Yanovsky (him, I've heard of), Ron Ziegler. What about the licenses granted Underdog Studios, L.A., engineer Mark Linett, tape doctors Vic Dinnerstein and Irving Kirsch?

The plumbers unit has photos of most National Lampoon editors in some pretty compromising positions. Beard, Hendra, and Kelly could be zapped, Howie says. Let's smash those goddamn dirty little commie creeps once and for all. A million dollars doesn't seem too much, says the Oval Office. Get back to me about this, Gemstone.

P.S. I love you.

You can't spell *America* without the *m* and the *r* in *humor*!

Yes, I'm fed up! I want to become a member of Comedy Cause, the transparent front group you've established to disguise this subscription hype. And incidentally, I'm pleased as punch to learn that there's quite a substantial saving in it for me if I join this important (though nonexistent) organization right now. Please send me your vital publication, the National Lampoon, apply my paltry contribution to the many foolish causes you support, and inscribe my name on the prestigious list of Concerned Citizens which you maintain at your modernistic offices.
