## **RUBE ON RUBE**

WHAT COULD I possibly tell you about *Rube Ruben* that wouldn't bore you to death? Seriously though, you've seen me in so many movies and on every stage from *Vegas* to the *Catskills*... I could go on and on and on and... In fact, I was the only *ham* on the *borscht* circuit. My act was so

bad everybody kept yelling: "Up in front!" So *Max Asnas* suggested I cut some wax (instead of the usual cheese) and *voila!* Here it is for what it's worth. These songs are gonna live forever- providing the world blows up at midnight. Some *schmucks* say my singing sounds like a knife caught in a garbage disposal- but what do they know about knives? Be sure to pick

up my next discus, "I'm in the Nude for Love" backed by "Father Can't Budge Since He Ate Mother's Fudge." Flip it on and dance with your sweetie. I gotta go now. Time to buy Bourbon-flavored peanut butter at the *Farmer's Market*.
